FOR IMMEDIATE RELEASE:

Harbinger Technologies Group and Global IT University Sign 5 Year Strategic Partnership

Ashburn, VA January 12, 2009 — On Friday January 9th, 2009, Harbinger Technologies Group, LLC and Global IT University, Inc. formalized a 5 year strategic partnership to deliver quality training and services to the greater DC area.

Charles Fox, CEO of Global IT University said we chose Harbinger because of their stellar record in delivering quality training and services to local, state and federal government entities. We look forward to working with Harbinger as we grow our presence in the greater DC area and beyond.

Ahmed Qureshi, CEO of Harbinger Technologies Group said Harbinger looks forward to leveraging our core competencies of delivering quality training to the war fighters and their support staff while integrating new technologies and courses brought to us through our partnership with Global IT University. Through this partnership government entities as well as private sector organizations will be able to take the training they need to more efficiently increase productivity and accomplish their missions within their respective organizations.
